SUPPLEMENTAL HOME HEALTH

When home health services covered by Medicare or your insurance company are not enough, you or your family may benefit from our intermittent or private duty services. We can provide nurse and aide services to supplement the care you are receiving to speed your recovery or simply give your family a break. Our services include:

- RN and LVN Visits
- Case Management
- Home Health Aides
- Private Duty Care
- Rehabilitation Services

ATTN:

Pulse Staffing will schedule directly with the patient.

Recovery or Discharge Nurse Please call Pulse Staffing within 1 hour of discharge.

For questions you may call Sheila @ Dr. Marvin's office 713-963-7124.

HOSPITAL PRIVATE DUTY

Whether you are recovering from an illness or have just had surgery, Pulse Staffing has a private duty solution to improve your hospital stay.

We provide supplementary care, monitoring and reporting when hospital personnel are not available. Your family and friends can rest assured that you will be monitored and assisted by skilled professionals until you are ready to go home.

Our services include:

- Private duty RNs and LVNs
- Nurse's aides
- Companions and sitters
- Pediatrics through adults

OUR EMPLOYEES

Each of our employees has satisfied our industry leading selection requirements. Employees of all skill levels are carefully screened and evaluated through personal interviews, license and certification validation, verification of past employment and a variety of skills tests. All of our employees are tested for illegal drug use.

AT HOME

In-home private duty services are provided by our licensed home health agency, Uptown Homecare. A Registered Nurse will assess your needs and recommend services designed to keep you independent and at home including:

- Skilled nursing
- Medication monitoring
- Meal preparation
- Shopping
- Housekeeping
- Companionship
- Other customized services

Our service gives family members the peace of mind of knowing that caring professionals are monitoring the health and safety of their loved one. Our private duty personnel will keep your family and doctor apprised of your condition and identify changes before they become problems.

Q&A

What type of cases do you accept?

We can take care of patients who require basic attendant care up to around the clock critical care nursing.

How do I request services?

Our coordinators are available from 5am to midnight, seven days a week, to take your call. They will take your information and arrange for a complimentary assessment if needed.

How much does it cost?

Our prices vary depending on the skill level of the attendant or nurse you require. We will explain your options once we complete your free assessment.

What types of payment do you accept?

We accept cash, check and most credit cards. A deposit may be required depending on the payment method and length of service. We will assist you with filing medical insurance claims if needed.

Can I choose my caregivers?

Yes. Our attendants and nurses are available for interview prior to the beginning of most assignments provided
